

# Dementia Education Series

This educational series is intended to provide information and support for the caregiver of a loved one living with Alzheimer's or dementia-related memory loss. The individual with dementia will have the option of attending the workshop or being part of music therapy and lunch in our beautiful memory care neighborhood. This will allow the caregiver to have a much needed break and be free of distraction while receiving great information and encouragement.

---

***Fridays • 10:30 a.m. – 12:30 p.m. • Lunch included***
